**Respected Sir / Madam,**

As per the above subject, we have conducted the "SWACCHA BHARAT ABHIYAN" on 26.06.2015 between 9:30 am to 11:00 am in Alandi Area. In this campaign, total 25 students and staff of our college have participated voluntarily and collected the garbage which mostly included plastic materials, unused papers, pilgrims useless cloths and torn pieces, plastic water bottles etc. in the Alandi area. Being the holy place of Saint Dnyaneshwar, Alandi area is full of pilgrims and market area is always fully occupied. Alandi is always crowded being a holy place and hence garbage saturates and spreads very fast because of negligence of these people. Our volunteers, explained those pilgrims and residents of Alandi, the adverse effects of garbage and wastes on their health and persuaded them to not do the same.

Some part of the collected garbage was readily handed over to the Swacchata personnel of the Alandi Municipal Authority and some part were burnt far from the Indrayani river bank.
