Report on “Cyber Safety Awareness Presentations”.

Objective of the Activity:

The aim of this activity is to make teenage aware of Cyber Safety & Protective Majors to use internet in association with Quick Heal Foundation. The mission of this project is to keep the kids safe online.

Activity Details:

As kids grow up in this digital age, keeping up with the latest trends and technology is a part of everyday life. Parents, on the other hand, are oftentimes less savvy than their kids when it comes to cyber behavior. And due to lack of cyber awareness many crimes are happening online and are bound to increase drastically in near future. Having sensed the potential online danger, Department of Computer Application and Quick Heal foundation has taken an initiative of CYBER SAFETY awareness program among the school kids.

10 students of Computer Application Department delivered presentations to make School & Junior College Students aware on Cyber Crime, pros and cons of social media & internet. The project was started from 09th February 2018 to 03rd of March 2018. Total 15 presentations were delivered in 10 different schools.

Outcome:

We have sensitized total 2590 students from 10 different schools from Alandi Area. Prof. Amit V. Tale & Prof. Akshada Kulkarni worked as mentor for the same. Quick Heal Foundation has released a stipend of Rs. 17,600/- for the students who delivered these presentations. Students of Computer Application Department were motivated by this activity. They got good experience of teaching & delivering presentations in front of junior students. Also the levels of confidence have been increased.
