GUEST LECTURE
ON
'CAREERS TO PURSUE AFTER GRADUATION'

Date:05/10/2023

Guest Lecture on '*Careers To Pursue After Graduation*' was organized by the Department of Arts and Commerce on 4th October 2023 for the B.Com and B.B.A students . This guest lecture was conducted by speaker Mr. Vikash Singh, Mentor, IMS, Pune.

In this guest lecture, Mr. Vikash Singh explained the scope of Masters of Business Administration (MBA) course .He said getting an MBA can have many advantage as it trains you with a few crucial skills that you can apply in the business world as well as in the professional world. M.B.A is a post graduate program that, regardless of the specialization, will provide a student with conceptual ,theoretical and practical training in various aspects of business like economics, operations marketing, basic accounting, corporate finance etc. He explained the various entrance exams which paves the way to pursue MBA in India and abroad. Systematic explanation of specific tactics to be applied for cracking group discussions and personal interview was also the part of this session. This session also focused on other upcoming careers which are related with *Artificial Intelligence and Data Science*.

Various queries were raised by the students and systematically the resource person dealt with those queries. This fruitful guest lecture was received with admiration by the students and they also found it knowledgeable and they further requested to arrange such type of sessions in the days to come. 140 students attended this session from B.Com & BBA.
