ABOUT

Deepak started his career in year 2000 as a Linux System Administrator. He soon realized that his passion lies somewhere else. He wanted to become an entrepreneur.

In year 2006 he founded WinLinTech Solutions with just 2 members on board. Today, he is successfully running 3 companies with over 50 employees.

Deepak's skill sets are grounded in ethics, honesty and effectively communicating expectations with measurements and feedback. He has a great passion for helping others achieve their endeavors.

LEADERSHIP

Deepak possesses a strong Leadership and Business record as CEO and has a deep understanding of handling business and customers.

He strongly believes in maintaining ethical practices, strong employee engagement and constant customer interaction. His constant effort has been on motivating team and individuals which has so far helped in establishing overall strong business relationships.

Under his leadership WinLinTech Solutions grew steadily and marked its name in the industry.

Report on Linux Operating Systems Workshop

Objective:

The main goal for conducting Linux Operating Systems Workshop is

1. To provide the students with an opportunity to learn Linux Operating Systems Concepts.
2. To give the students an exposure to current Linux practices as opposed to theoretical knowledge being taught at their college classrooms.
3. To bridge the gap between classroom teaching and practical working environment.

Activity Details:
